## **Local Couple Holds Auction to help Women Reclaim Lost Lives**

**NATHALIE, VA April 10, 2014** — Recovering Hands, a newly formed Nathalie-based organization will be dedicated to providing support and residential extended-care to women suffering the effects of substance abuse.

Recovering Hands Co-Founders, Bill and Kim Adams have been involved in long-term recovery since 1989. They bought Breezy Hill Farm in 2004 and began working with the fields right away. By 2010 they began raising Black Angus on the recovering fields.

“Reclaiming this old farm is a labor of love.” – Bill Adams, Co-founder and Director of Agriculture. Everywhere you look you can reap the rewards of their hard work.

In 2014 Bill and Kim Adams began garnering support for their on-going dream of reclaiming their land and the lives of people who suffer from the horrors of untreated substance abuse.

“We are so excited by the outpouring of support we have received from the community! With our \$20,00.00 goal in mind, we have already raised over \$9,000.00 through our Go Fund Me page ([www.gofundme.com/RecoveringHands](http://www.gofundme.com/RecoveringHands))! Many of our local businesses in South Boston and Danville have donated Gift Certificates and we have received other donated items such as, framed photographs and paintings from supporters in Pennsylvania and New York, jewelry, antiques, electronics, hand made items and even a Coach Bag from local friends and family.” – Kim Adams, Co-Founder and CEO

The fundraising event will be held on May 16, 2015 from 12:30pm until 5:00pm at 4067 Beulah Road, Nathalie, VA 24577. The day will begin with a Reception where you can meet the Recovering Hands Board of Directors and tour the farm. Following the reception there will be a showing of *The Anonymous People* Film ([www.manyfaces1voice.org](http://www.manyfaces1voice.org)) and the Auction will begin at 3.00pm.
